

Help us

Trial a programme addressing
behavioural/emotional difficulties experienced
by boys with DMD

**Are you a parent/carer of a
boy between the ages of 7-17,
with a genetic diagnosis of
DMD?**

UNIVERSITY OF
SURREY

**Are you interested in participating
in a carer programme addressing
behavioural/emotional difficulties
experienced in DMD?**

**This will involve taking part in a 6 week group
programme.**

**If you are interested in learning more please
contact Andria!**
